## A note about Rows A - C:

Seating in the first three rows of the orchestra is variable. The configuration of the stage changes for each production (mini-thrust, proscenium, etc) which affects the arrangement of the seats in Rows A - C. The box office will assign exact locations to subscribers in those rows a few weeks prior to the run of each show.

- If possible, I would like to be seated in Rows A - C of the orchestra section.
- I prefer not to sit in Rows A - C of the orchestra section.
